From the creative team behind *Elf! The Musical*, this Drama Desk-winner and Tony-nominee tells the story of four Broadway has-beens searching for a way to restore their failing careers. They fly off to Indiana to help Emma, a 17-year-old who has been barred from taking her girlfriend to prom by her school's PTA. Chaos, comedy, and catharsis ensue as the locals and Broadway divas alike dance around their differences until they discover that they're all dancing to the same beat.
